Subject: If You Don't Have The Spirit Of God You Are Not His Child:

You don't have to be baptized in water to get into the kingdom of heaven, but you must be baptized with the Holy Spirit to get there. You must have the Spirit of God to live in heaven as a child of God. God will reject you if you don't have his Spirit. When you don't have God's Spirit, you are not a member of his family.

Baptism of water is merely a symbol of the death and resurrection of Jesus Christ. When you are baptized in water, you do this to honor Jesus' death and resurrection. It is your testimony that Jesus has been resurrected in your life and that your old life of sin has died. When you are baptized with the Holy Spirit, it gives you power to live a new life in Christ.

The baptism of water does not give you power to do anything. It is simply a show to the world that your inner man has been changed by the baptism of the Holy Spirit. The baptism of the Holy Spirit is what actually makes you a new creature in Christ. When you are baptized in water, you are testifying that you have experienced the baptism of the Holy Spirit. The baptism of the Holy Spirit means that you have been born again of the Spirit of God. The Spirit of God gives you the new birth in Christ and not water.

When a person becomes wicked, those who were previously associated with the wicked person should separate from the wicked person. If the weak becomes wicked and filled with evil to the extent that he or she can no longer see the advantage in being corrected, he or she is not fit for the decent company of those who want to be saved.

True holiness means to live above the ways of the carnal or sinful nature of a person. If you live in true holiness or righteousness, though you may experience hardships from time to time, when the trumpet of God sounds and the dead in Christ rise, you will be in that number whether you are living or dead.

Subject: The Intercessor:

Your understanding and acceptance of the teachings of God's word will be limited unless you are filled with the Holy Spirit. You must be born of the Spirit in order to understand a spiritual teaching. The Holy Spirit is an intercessor between

man and God. The intercessor was commissioned by God to help those who are going to be saved to learn how to apply the knowledge of God's word to their lives. When you are born again of the Holy Spirit, the Spirit takes up residence in your mind to assist your ability to comprehend the knowledge of God.

One of the functions of the Spirit is to break down the knowledge of God's word to a level of understanding that a human being can use in his or her everyday life. In doing this, the Spirit will simplify the knowledge of God's word to help human beings to be able to survive the evils of the world. The devil has made the evils of the world so complicated and deceiving that humans have no ability to perceive or deal with such evil spirits of the world. Therefore, God sent the Holy Spirit to teach us the knowledge of his word so that we can effectively survive the evils of this world.

Subject: When You Receive Jesus You Will Also Receive Power From On High:

The plan of salvation instituted by the Lord is so simple that a wayfaring man, though a fool, needs not to err in it. You only have to believe it and the Lord does the remaining work for you. God is offering us everything we need to obtain eternal life, but it is very strange that the world rejects the plan of salvation. When God sent Jesus into the world, no religious leader or preacher had ever spoke as Jesus taught. Those who heard Him had to bear witness that this man is not from any college or higher institution of learning on earth. They thought that Jesus' knowledge was good and from a much higher source than the world could offer, yet they did not believe him. But, as many as did believe, Jesus gave them power to be saved (St. John 1:12).

Today anybody who believes the teachings of Jesus Christ can receive power that will help them to obey. If you follow the instructions in The Original King James Version of the Bible, you will find that everything it teaches is true. When you seek to know about God with a pure intent of heart, God will reveal the knowledge of his plan to you. God will tell you things about yourself that you didn't know.

Now the Bible teaches that there are two works of "Grace". Grace means favor from God that we can't earn. The Lord sent a forerunner name John the Baptist, testifying of the fact that Jesus one day would be sent to save his people from their sins. When Jesus saves you, you won't have to sin anymore. Sin includes everything that is contrary to the will of God, and love includes all that is in accord with God's will.

There are two works of grace, which the church of man has failed to preach. One is the forgiveness of sin, and the other is the power given to man which makes it

so that he does not have to sin anymore after having been forgiven of his sins; this is the power that Jesus offers in St. John 1:12. When you receive Jesus' teaching, this power is brought into your life by the Holy Ghost. In St. Matthew 3:11, it teaches (by John the Baptist) that Jesus, who is coming after him, will baptize you with the Holy Ghost and power. You don't have to be baptized with water to get to heaven, but you must be baptized with the Holy Ghost, because it has power to get you there.

Subject: Jesus Was Sent To Save Us From Our First Birth:

The word of God teaches us that if we believe that Jesus died and rose again, and if we follow his instructions, we can be born again. We would then have experienced two births. One birth of the flesh, of our earthly parents, and the other is the birth of the Spirit of our heavenly Father.

Initially, every child who is born into the world has its name in the book of life. When the child is old enough to know right from wrong and decides to commit sin, their name is taken out of the book of life. This means in order for that child to be saved, he or she must be born again, and Jesus was sent by God to give us directions on how to be born again.
