**Subject: Where Did The Holy Spirit Come From And What Does It Do?**

The Holy Spirit comes from God. It is the greatest power in the universe. It is Holy, which means it works according to the righteousness of God. It operates according to the gospel that Jesus taught. If you want to know if you have the Holy Spirit, examine your life to see if you are living according to the gospel that Jesus taught.

The Holy Spirit is a teacher that never teaches about itself; it only teaches what Jesus taught. The Holy Spirit has perfect knowledge of the human nature, and has been commissioned by God to give humans who believe the gospel that Jesus taught the new-birth. It has the ability to convert the sinful, carnal nature of humans into the divine, or holy nature of God.

This is done by a process of regeneration. This means that the Holy Spirit takes you out of the nature, desires, and human make-up that you inherited from the generation that you were born in of your parents, and places you into a holy generation. It replaces your nature and desires that you inherited from your parents, and gives you the divine nature of God. This is a washing of regeneration, and a renewed work of the Holy Spirit that God sent to the earth after Jesus left. When this process of regeneration has been completed in your life, you are then born again.

**Subject: A True Conversion Will Be Honored By A Filling Of The Holy Spirit:**

When you repent of your sins, God does not remember what you did when you were a sinner. The day that you repent, God classifies you as being a righteous person. You must repent with the mind to go and sin no more, otherwise, God will not recognize your repentance. If you desire to separate from the social life of other sinners, God will recognize your conversion and give you the Holy Spirit. The Holy Spirit will stabilize you in righteousness. It will be a mistake to remain under the influence of the unsaved world before you receive the Holy Spirit. You will have no strength to refrain from sinning when you are under the social influence of other sinners.

When you are converted, you must be taught the way of righteousness by other saved people, and quickly pray to God for a filling of the Holy Spirit. To be converted is to be convinced that the gospel leads to salvation and sin leads to eternal death. When you are convinced and accept your conviction, then you are converted. Next will come the Holy Spirit, and you would be born again. The Holy Spirit gives you the new-birth. The Holy Spirit will conceive the word of God in your mind, just as it conceived the word of God in Mary the mother of Jesus. Jesus is the word of God. Under these conditions, your life and deeds will be like Christ's. Now be careful; you want to stay close to those who are truly born of God and filled with the Holy Spirit. Otherwise, you will find that though you have been converted, you will go back to a life of sin.

Now all of this is predicated upon the fact that you are attending a Holy Ghost influenced church. The Holy Ghost must be the administrator of your assembly, using a Holy Ghost sent pastor. If the Holy Ghost is converting your life, and the church that you are in is not under the leadership and administration of the Holy Ghost, it will lead you to separate from such a church. The influence of a church can only help you to be saved when it is under the influence of the Holy Ghost. When the Holy Ghost is the administrator of a church, the pastor and church officers will be sin-free. The primary teachings of the church will be to live free from sin. There should be no adulterers, fornicators, liars, liquor drinkers, cigarette smokers, homosexuals, malicious persons, envious persons, or idolaters that are a part of the leadership of the church.

Those who say that they are born again should manifest the fruits of the Holy Spirit in their lives, which are love, peace, joy, faith, patience, meekness, longsuffering, goodness, and temperance. These qualities should be manifested in the spirit of the pastor and church officers. If these qualities are not in the lives of the pastor and administrators of the church, you are not in a Holy Ghost administered church assembly. Under such conditions, nobody in the church will be saved, and you should leave the church.

### **Subject: The Holy Ghost Is Seeking People To Worship God In Spirit And In Truth:**

The Holy Ghost is the only thing that can keep you saved from sin. It is an anti-sin power that is greater than the forces of evil. The Holy Ghost patrols the earth looking for those who desire to be saved from sin. It is the only source of power that can help you to hold on to righteousness. The Holy Ghost is primarily against three categories of evil in the world, which are the lust of the flesh, the lust

of the eye, and the pride of life. When folk of the world follow after such lusts, they are enemies of the Holy Ghost. Such lusts will lead you away from righteousness, causing you not to receive a filling of the Holy Ghost, though you may be actively involved in a church.

The lust of the world will separate you from God and diminish your energy to live right. Many Christians who follow such lust will justify sinful pleasures as being acceptable along with salvation in Jesus Christ. You can be in the world, but you don't have to be of the world. You can work and do business with sinners, but you don't have to participate in sinful pleasures.

After you are filled with the Holy Spirit, you will have no more use for pleasures of the world. You will have such power over pleasures of the world that they will lose all of their attraction and become repulsive to you. Under these conditions, the Holy Ghost will be at complete control of your life, and you should praise and thank God. The Holy Ghost will continue to be your teacher, counselor, and guide through life for the remaining of your life on earth.

## **Subject: True Happiness:**

Everybody is seeking some kind of happiness. Many people are willing to do most anything to be happy. Happiness that the world has to offer is not true happiness, because it doesn't last very long. The world offers happiness that pleases the flesh, or sinful desires. Happiness that pleases the flesh results to disappointments.

Only the Holy Spirit can give you true happiness. When you are filled with the Holy Spirit, it introduces you to true happiness while you are living in this present world, and it will continue throughout eternity. The Holy Spirit has infinite power to make you happy. The happiness that the Holy Spirit gives you is free from sinful pleasures. The Holy Spirit will first take out of your life everything that has made you unhappy, and then it becomes a permanent abode in your life. You will then become a part of God, because the Holy Spirit is the third part of God.

The Holy Spirit will then establish a new life in you. It will instruct and direct this new life into the holiness of God according to the teachings of Jesus Christ, which will make you happy. To be filled with the Holy Spirit is a wonderful blessing. When you are filled with the Holy Spirit, your life will follow the same way that Jesus demonstrated. Jesus' life in the flesh and blood body started on the earth and it eventually took Him to the kingdom of heaven. This is the same course that a person's life will go after they are filled with the Holy Spirit.
